To Whom It May Concern:

I have known Guy W. Burtt both personally and professionally for over 4 years. During this time Mr. Burtt has held project management, area construction management, and division construction management roles for projects in excess of 100 million. He has executed his responsibility with civility and professionalism unmatched in the industry.

I am recommending Guy W. Burtt with out reservation. Should you have any questions please don't hesitate to contact me.

Best regards,
