**To Whom It May Concern:**

Walpert Properties would like to take this opportunity to commend PQS Development & Construction, Inc., a Riverstone Development Group company, on a successful renovation of The Hitching Post Plaza in Naples, Florida.

The task of renovating the exterior facade of a shopping center while tenants remain open for business is a daunting one. The project ran smoothly and professionally thanks to the efforts of PQS Development & Construction, Inc.

We would be happy to recommend PQS Development & Construction, Inc. to any organization for their construction needs.

Sincerely,

*Walpert Properties, Inc.*
