

**"Home of the Mustangs"**

The Smoky Mountain High School Varsity Cheerleaders want to thank you so much for your business purchasing an ad in our Fall Sports Program. The funds raised were used to purchase new uniforms and a new breakthrough. It is great to have people like you in the community that supports Smoky Mountain High School and Athletics. We really appreciate you! We will be calling on you for the 2009 Program.

Again many thanks!
